

Welcome to Fagadau, Hawk, & Swanson. Thank you for choosing us as your eye care provider. ***The New Patient Paperwork must be completed before your arrival to our office.*** Please take time to review and complete all the necessary paperwork. If you are unable to complete your paperwork prior to your scheduled appointment time, you will need to arrive 30 minutes early to complete the forms in the office. If you do not have your forms completed upon check-in, you may be required to reschedule your appointment.

**Prior to your appointment:**

- Complete New Patient Paperwork (If you have not been seen in the last 3 years you may be asked to renew your paperwork)
- If you have **HMO** insurance it is **VERY IMPORTANT** that you obtain authorization **prior** to your appointment date. You will need authorization for the Physician you are seeing. Failure to obtain your authorization will require you to reschedule the appointment for a later date. Your insurance may not pay for the visit without the proper referral from your primary care physician.

**On the day of your appointment:** Please arrive 15 minutes prior to your scheduled appointment time.

This allows us the necessary time to register you.

- Please bring all completed paperwork, current insurance card and picture ID
- If you fail to bring your insurance card(s) you will be charged for your visit, for we are unable to process claims without the insurance card on file.
- The registration staff will review all demographics and insurance information again at the time of registration. We apologize for the inconvenience and repetition. We do this for your protection and to verify that we have the correct billing information.

**Please note:**

- Our hours of operation are Monday – Thursday 8:00 AM- 5:00 PM, and Friday 8:00 AM–4:00 PM.
- You will be required to bring your insurance card and picture identification on every visit
- Please call to **cancel or reschedule your appointment at least 48 hours in advance** at 214-987-2020. Failure to do so may result in a \$25 late notice/cancellation fee.
- Our office will attempt to send a courtesy appointment reminder via text message, email and phone call, but it is your responsibility to remember your appointment.
- Please call the office if you have any questions at 214-987-2020.

***Thank you for your cooperation and we look forward to seeing you soon  
at your scheduled appointment.***

All professional services rendered are charged to the patient or responsible party. We will file claims with the patient's insurance carrier; however, the patient is responsible for all fees, co-payments, and/or insurance deductibles, as well as any amount not covered by insurance. **Payment of co-payments and insurance deductibles is expected when services are rendered unless other arrangements have been made with our business office in advance.**

I request that payment of authorized Medicare benefits be made either to me or to the provider named above for any services furnished to me. I authorize any holder of medical or other information about me to release to CMS and its agents any information needed to determine these benefits or benefits for related services. I understand my signature requests that payment be made and authorizes release of medical information necessary to pay the claim. If other health insurance is indicated in Item 9 of the CMS-1500 form or elsewhere on other approved claim forms, my signature authorizes releasing the information to the insurer or agency shown. The Provider accepts the charge determination of the Medicare carrier as the full charge, and I am responsible only for the deductible, coinsurance and noncovered services. Coinsurance and deductible are based upon the charge determination of the Medicare carrier.

I further give my permission for the release of information regarding my diagnosis, test results and/or prescriptions to anyone answering at my home telephone number or for the leaving of that information on my home answering machine and I permit the use of my e-mail address to contact me.

I hereby assign to the physician, if assignment is taken, all payments for medical services rendered.

I have been offered the HIPAA Privacy Practices.

I consent to monitoring and/or recording of consultation and/or meeting with doctor or staff employee for quality control and training purposes.

- Steve Fitzpatrick and Claire Shaw are not contracted medical providers, and therefore we will not be filing insurance for them. Payment is expected at the time of service. We will provide a receipt so that you are able to file for personal reimbursement.
- HMO insurance policies do require a referral from the primary care physician which the patient is responsible for obtaining prior to the visit. Please contact your insurance company to confirm if a referral is required by your insurance company to see a specialist.
